THE WINNER

IF YOU THINK YOU ARE BEATEN, YOU ARE;
IF YOU THINK YOU DARE NOT, YOU DON'T;
IF YOU'D LIKE TO WIN, BUT YOU THINK YOU CAN'T,
IT'S ALMOST A CINCH YOU WON'T.

IF YOU THINK YOU'LL LOSE, YOU'VE LOST,
FOR OUT IN THE WORLD YOU FIND
SUCCESS BEGINS WITH A FELLOW'S WILL —
IT'S ALL IN A STATE OF MIND.

IF YOU THINK YOU'RE OUTCLASSED, YOU ARE;
YOU'VE GOT TO THINK HIGH TO RISE;
YOU'VE GOT TO BE SURE OF YOURSELF BEFORE
YOU CAN EVER WIN THE PRIZE.

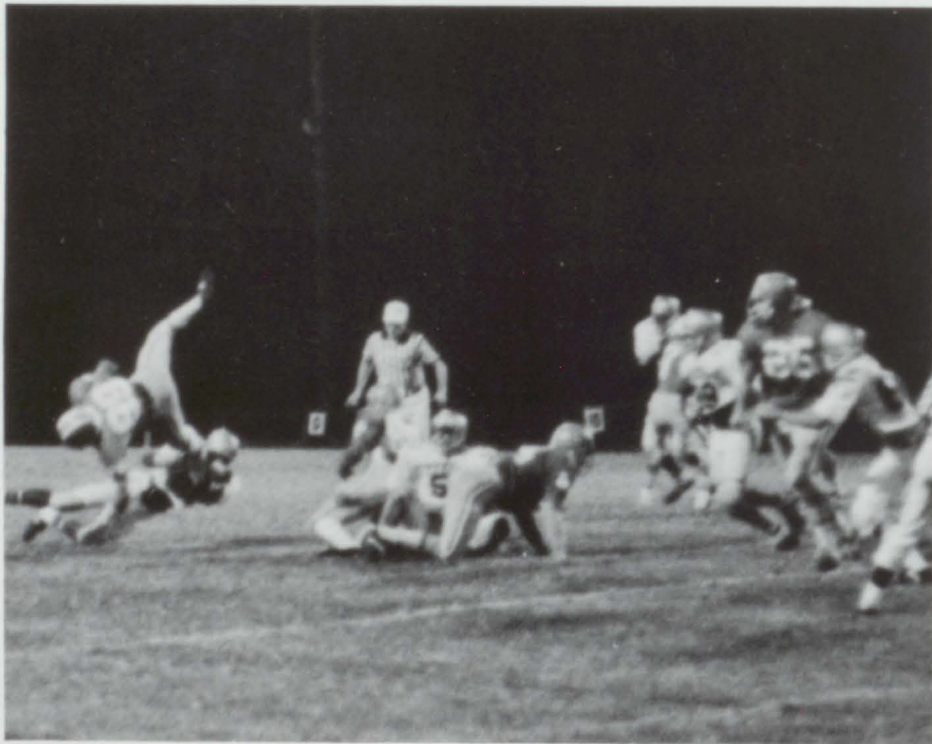

FOR MANY A RACE IS LOST
ERE EVEN A STEP IS RUN;
AND MANY A COWARD FAILS
ERE EVEN HIS WORK'S BEGUN.
THINK BIG AND YOUR DEEDS WILL GROW;
THINK SMALL AND YOU'LL FALL BEHIND;
THINK THAT YOU CAN AND YOU WILL —
IT'S ALL IN A STATE OF MIND.
LIFE'S BATTLES DON'T ALWAYS GO
TO THE STRONGER OR FASTER MAN;
BUT SOONER OR LATER THE MAN WHO WINS
IS THE FELLOW WHO THINKS HE CAN!

PEE WEE CHEERLEADERS

THE PANORAMA STAFF WOULD LIKE TO DEDICATE THE ELEMENTARY SECTION OF THIS YEARBOOK TO THREE YOUNG MEN. THESE BOYS WERE LOVED AND ADMIRER BY THE FACULTY AND STUDENT BODY OF LUVERNE ELEMENTARY SCHOOL. MYKEL HOLLIS, OTIS WASHINGTON, AND JERRY FOSTER WILL BE MISSED BUT THEIR LOVE AND MEMORY WILL LIVE ON IN THE HEARTS OF THEIR FAMILY, TEACHERS, AND FRIENDS.

ADMINISTRATION

Charles M. Sport-Principal
Lena Mae Carter-Secretary

Lavon Davis-Elementary Principal

We have all grown fond of the teachers and administrators at Luverne High School and we believe that they are the best to be found. In these pages we have attempted to capture the personalities and habits of the teachers so that we may remember them as they really are.

THE FUTURE

Where will we be 10 years from now? On Class Day, Father Time looked into the future to see what fate awaited each of the Seniors of 1978. What did he find? See for yourself!

Michael Williamson is now the head man at the Luverne Home for fatherless children.

Danny Rolling has become the world's greatest evangelist. He is known as the "Holy Bowler" because he preaches in bowling alleys all over the world.

Gene McHenry has joined the Luverne PD so he can be close to Fred

Ona Finch is now the manager of a business in Luverne called Foxy Ladies, Inc.

Wanda Taylor works as a model at Judy's Stout Shop.

David Gulley has taken a job as a tunnel digger. He told the man at the employment office that his only work experience was as a mole.

Bobby Strowd has founded the Luverne School of Cool.

After flunking out of Bobby's school, Jeffery Welch went to college for four years and is now the Ag teacher at the Chapel Hill Day Care Center.

Connie Carr has had plastic surgery on her toes, changed her name to truck, and moved to Alaska, where no one knows of her past.

Shelia Owens is now happily married ...thanks to Coach Brown's counseling.

Gary Shirley is now a security guard at the curb market.

It seems that accounting was Dennis Wiggins' game. Too bad he had to try his hand at embezzling. Now the only accounting he does is count the days til he comes up for parole.

Daniel Holsten has become a movie star. His first movie was entitled "Bigfoot."

Because of her wet T-shirt experience, Amelia Shirley has taken a job as a topless dancer at the Ideal Cafe.

Jeffery Carnes now resides in the Patsburg Home for the Mentally Upset. He had a nervous breakdown when he went bald.

Greg Riley has finally made it in pro football. He was chosen by the Tampa Bay Buccaneers in the 611th draft. The Bucs coach complains Greg spends too much time driving to and from Spring Hill.

Tim Hall became an Air Force pilot and was shot down on his first mission over Russia. Unfortunately, the State Department was unable to convince the Russians to keep him.

Pat Kilpatrick appears as the after picture in a Mark Eden Ad.

Lillie Bodiford is now a professional fashion model in New York.

Greg Poff is no longer with us. The Luverne Nat'l Guard was mobilized in a war with China, and Greg was accidentally shot by a sentry who thought Fu Sang was a Chinese.

Christi White is now a world record holder for the largest collection of T.J. Swann bottles in the World.

Denise Norris and her husband Terry Coggins are now in the county jail after they got the Luverne Police to help fish Denise's contact lens out of a 50 gallon barrel of moonshine.

We find Gary Sport cutting the grass in front of a suburban home here in Luverne. Who's that in the yard? Looks like a tall skinny version of Frankie Norton.

Eddie Burt is now a male model, appearing frequently in Playgirl magazine.

Serita Johnson moved to Canada because she heard there were lots of Mounts, or rather "Mounties" up there.

Andy Lowery had his name legally changed to Zeb Zommer and now leads a hard rock group called "The Aluminum Balloon."

Kenneth Sexton is now the president of the United Farm Workers Union. How could he lose with Mr. Goneke as his campaign manager?

Lynette Anderson decided to become a TV news commentator because she is so good at running her mouth.

We see that Sharon Bryan is the leader of the roughest motor cycle gang in Alabama, Heck's Angels.

"Honest" Steve Luster has followed in the footsteps of Jimmy Carter and is now the first hog farmer to become President. Steve's first official act was to put an electric fence up around the White House to keep the pigs in ...and to keep his beer-guzzling brother Craig out.

Gary Watson was found dead in his car. The police say he was killed by vampires, because his only injuries were bites on the neck.

David Sanders has become a scientist and is now trying to prove that snuff turns women on.

Priscilla Kidd now teaches the Weight Watchers program in Luverne.

Sara Summerlin is riding around Luverne looking for Terry Tate.

Collins Davis is now a long-haired, dope-smoking acid rocker.

Dennis Sanders is recovering from a terrible car accident. It seems that Dennis was riding through town one night, and he stuck his head out the window to holler at the Brantley Bears and he couldn't get his head back in. That's when he met the mack truck ...

Robert Rutledge is now the head football coach at CCA.

Twyla Taylor is now married to Andy, and there are lots of little zipper noses running around the house.

Ronald Lowery made the mistake of taking a nap in the barrel of a 155mm cannon at Ft. Rucker. Boom! Bye, Ronald.

Mary Jones is in the Air Guard making a career as a professor.

Kenneth Braswell has completed his college education and returned to his beloved LHS to replace Snuffy Butts.

Alma Ruth Duncan now rents herself out as a mop.

Shirley Hamilton is now a famous softball star for the Cherokee Eagles.

Mary Foster is the same old person, doing the same old things.

Joy Smith is now an Algebra teacher ...at the other end of town.

Allen Holland was in the Navy, but now he's at the bottom of the South Pacific. Holland rolled out of his bunk in a submarine one day and his nose punctured the floor of the sub.

Annie Johnson now weighs 180 pounds and appears in Weight On commercials.

Luella Freeman has become Mrs. Larry Dixon, with 25 children running around.

Evelyn Daniels finally graduated from LHS. graduation The Day after she collected her first social security check.

Stanley James is now the bouncer at the Pine Club.

Butch Stutes is still making the circuit from Brantley to Goshen.

After winning the Indy 500, Debra Turner has moved on to bigger things, and is now a defensive tackle for the Pittsburgh Steelers.

Terry Woodson is now running for president of the IMS (International Mole Society).

Charlotte Pate is now a cover girl for Glamor magazine.

Alfredia Gregory has dance all her joints out and is now in the nursing home.

Donnie Bryant has followed in the footsteps of his idol, Idi Amin, and is now dictator of Helicon.

Linda Searight now works there because she never said very much.

Donna Jeffcoat has recently won a Pulitzer prize in journalism for her coverage of the impeachment of President Steve Luster.

Michael Morgan has become a professional stunt man after he learned how much fun it is to have fingers cut off.

Kyle Bozeman is now among the ten most wanted by the FBI.

A black and white photograph of a person wearing a dark, zip-up jacket. The person is holding a large, light-colored rectangular sign in front of their chest. The sign has the words "THE" and "END" printed in a large, bold, serif font, one above the other. The background is dark and out of focus, suggesting an outdoor setting with some architectural elements.

END
